How do I use CELock?

1. Create an account and log in:
   - To create an account, open the app and click "Login" on the home tab.
     - You can login using your Facebook or Google account OR create your own login by click on "Sign up Now" on the bottom of the page.
     - If you choose to create a login, we encourage you to use the same email address that you used to register for the conference.
2. Checking in/out of talks
   a. Open the app and click "check in" on the home page. Enter in the 4-digit code displayed on the projected screen OR on signs displayed around the room.
   b. To check out at the end of the talk, click "check out" on the home page and enter the 4-digit check out code displayed on the projected screen or on signs around the room.
3. Feedback:
   a. If you are using CELock, all feedback will be solicited via the app after you check out of each talk. You can choose to skip feedback and enter it at a later date. *Please note: feedback is required to earn BACB and APA CEUs.*

How do I purchase a CEU package?

Please see a committee member at the CEU table (located next to registration) to purchase CEU packages (APA, BACB, SCECH, Social Work and WMU) or a certificate of attendance.

If you are unsure if you have paid for a CEU package when you registered for the conference, see someone at registration.

Please note: you can pay for CEUs at any time during the conference. Payment for CEUs will not be accepted post-conference.

What happens if I am having trouble connecting to the internet?
That's ok! You only need an internet connection to initially download the app from the app store. Once the app is downloaded, you can use the full functions offline.
